In accordance with our conversation yesterday I am enclosing herewith a page of questions which, if you can secure the corresponding answers, will be of great assistance to us.

Please allow me to thank you most sincerely for your kindness in having me to lunch yesterday and to tell you how much I enjoyed meeting and being with you as well as to express my gratitude for your undertaking to furnish us with assistance.

As I stated yesterday, in case you want to send anything directly to me before your return, put it in a double envelope, addressed to me

If you will let me know when you return, I hope you will come to Washington and let me reciprocate your kindness and hospitality.

With very best wishes, please believe me,

Sincerely,

Enclosures
